NBA / NHL ODDS (status)

Currently NOT wired into the daily odds feed.
Available NBA/NHL data: VSIN handle/bets splits when published, but no
primary-book line snapshot is being captured. Add a fetcher analogous to
fetch_mlb_odds.py to enable consensus across all three sports.

MULTI-BOOK CONSENSUS (status)

Single-book feed only at this time: William Hill (via scoresandodds.com)
Books NOT yet wired (to enable true consensus, add fetchers):
- DraftKings (alt-line scrape exists; main lines not aggregated)
- FanDuel
- Pinnacle
- Caesars
- BetMGM
- Circa Sports

Until those are added, treat this report as a William Hill snapshot
and shop other books before placing bets that hinge on a few cents of EV.
